Dear Mr. Hixson:

J. J. Gibson, Esq.,
Treasurer, University War Memorial.

Dear Mr. Gibson:

I am sending you Mrs. Warren's letter with its promise for five thousand dollars. I have written to Mrs. Warren thanking her.

This morning I have a letter from Sir Henry Pellatt, written in a very kind spirit, and detailing to me certain personal circumstances that make it impossible for him to contribute at the present time. He says that when he is able he will do something, but I may give you this final paragraph for your use " He all of us have admiration and gratitude to the University of Toronto for the magnificent work it accomplishes in our midst, and believe me, when I am able to do it I will come forward, but I must ask you at this time to accept this assurance from me, unsatisfactory though it will be to you in connection with your present plans".

That does not help us much for our money point of view, but I judge from his letter that possibly we may get something from Mr. Hutson.

Yours sincerely,

President.

Sir Robert Falconer,

T o r o n t o.

My dear Sir Robert:-

I have again spoken to Sir Mortimer Davis and he tells me that he has not received any request from his Toronto office for a subscription and that if one is received it will have his very careful and most favourable consideration.

Might I suggest to you that Mr Gibson or Mr Scully have the Toronto office communicate with Sir Mortimer ? He has not received any report or recommendation from them in respect to the matter yet.

Yours very truly,

Wm. Mackenzie

I will bring up at the next meeting of the Board the resolution of the Committee that the $9,000 should be paid over to the War Memorial Fund. No action can be taken until the Board of Governors meets as it is only the Committee that has so far made the recommendation, but I have no doubt that the Board will be glad to recommend this.

I will also ask that the $25,000 should be paid over as you request.

With kind regards for the season,
